From September to November OnCourse requested and collected information on autumn course performance for 4,697 Columbus students served by BuckeyesFirst, ODI, SASSO, ROTC, SpringForward, and The OSU Academy. If instructors marked students not achieving at a level consistent with successful course performance, students, academic advisors, and support coordinators were notified, and students were encouraged to access support services.

57% OF PROGRESS REPORTS COMPLETED BY INSTRUCTOR

37,027 Progress Reports were requested and instructors returned 21,215 Reports, a 7% increase in completions compared to Summer 2020.

95% OF STUDENTS RECEIVED INSTRUCTOR FEEDBACK

4,466 of 4,697 students received feedback from 3,623 instructors. 14.4% of students receiving feedback were marked as needing extra support. Those 644 students of concern made 3,109 appointments after receiving Progress Report feedback.

55.3% STUDENTS IMPROVED GRADES IN 2,433 OF 4,397 COURSES AFTER THEY WERE MARKED AS NOT MAKING ADEQUATE PROGRESS
