## Unified Progress Reports Pilot Results Summer 2020

From May to August OnCourse requested and collected information on summer course performance for **909** Columbus students served by **SASSO, ODI, ROTC, SpringForward, and The OSU Academy**. If instructors marked students not achieving at a level consistent with successful course performance, students, academic advisors, and support coordinators were notified, and students were encouraged to access support services.

# 50%

### OF PROGRESS REPORTS COMPLETED BY INSTRUCTOR

**2351** Progress Reports were requested and instructors returned **1185** Reports, a **100%** increase from the average **25%** Spring 2020 response rate for Columbus Progress Reports.

# 76%

### OF STUDENTS RECEIVED INSTRUCTOR FEEDBACK

**692** of 909 students received feedback from **524** instructors and made **2,993** appointments with support staff. **106** students of concern made **446** appointments after receiving Progress Report feedback.

# 55.6%

### STUDENTS IMPROVED GRADES IN **70** OF **126** COURSES AFTER THEY WERE MARKED AS NOT MAKING ADEQUATE PROGRESS
